

# PARISH PLAN for ETWALL DERBYSHIRE

## **Where do we go from here?**

This is a plan: without action and follow-up, it is worthless. The committee has none of the powers needed to implement its recommendations so we intend to meet from time to time and review the progress made by other people.

We shall report to the community by issuing notices, using the “Express” and if necessary by calling public meetings.

**YOUR HELP!**

**Many of the ‘intentions’ within this plan can only happen if people within the community are good enough to give up some of their leisure time.**

**If you think you can spare any time at all, please contact one of the committee members through the Parish Clerk, details on page 17.**
